PROGRAM ADMISSION

The Veterans Objective Program was designed to assist the veterans' community to meet financial and educational challenges through consulting mentoring and networking. The goal is to establish businesses that will be financially sustainable. We are now accepting applications for the 2017 program. We are looking for in-service military members and veterans who have a desire and the passion to become entrepreneurs.

The program starts May 20, 2017 and ends in May 2019. The last day to apply for this session is April 15, 2017. Qualified candidates are admitted on a rolling space-available basis. Our Woman Veterans Objective Mission Program starts in May 27, 2017 and ends in May 2019.

Admission is selective and requires passing a selection panel interview. WDVF expects full participant commitment to graduate from this elite program.

Eligible participants desiring to become cybersecurity

TECHNOLOGY TRAINING PROVIDES A TOTAL END TO END SOLUTION.

Eligible participants desiring to become cybersecurity entrepreneurs would have the opportunity to obtain access to free ELITE training.

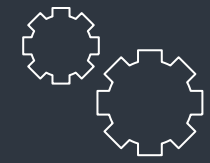

The training supports the execution of an effective workforce planning process that provides a direct line of sight between businesses and workforce.

As a **cybersecurity professional**, you might:

Create and shape organizations' digital strategies and evaluate and manage acquisition of secure hardware
